As our nation commemorates the 250th Anniversary of American Independence, the Local History Roundtable invites you to join us for a special two-day journey through the rich heritage of the Northern Pocono Mountains Region and surrounding communities.

This America 250 Heritage Tour offers a unique opportunity to explore the places, people, and events that helped shape our local communities and contributed to the larger story of the United States. From early settlements and historic churches to museums, cemeteries, railroads, mills, factories, and landmarks, each stop reveals a chapter of our region's remarkable past.

Visit significant historical sites, hear stories from local historians, discover hidden treasures, and gain a deeper appreciation for the generations whose vision, hard work, and sacrifice built the communities we enjoy today.
